

Download WebEx to Your Device

The first time you join a WebEx Event, you may be prompted to download WebEx to your device. Below you will find the detailed steps to complete this download.

If you are prompted to input a password when entering a live WebEx Event session for the Marine Science Series, please use the following password (case sensitive): **Mss2020!**

1. When you click on the link to join the live session, you will be prompted to download the WebEx extension. Click the large green 'Add WebEx to Chrome' button.

Step 1 of 2: Add Webex to Chrome

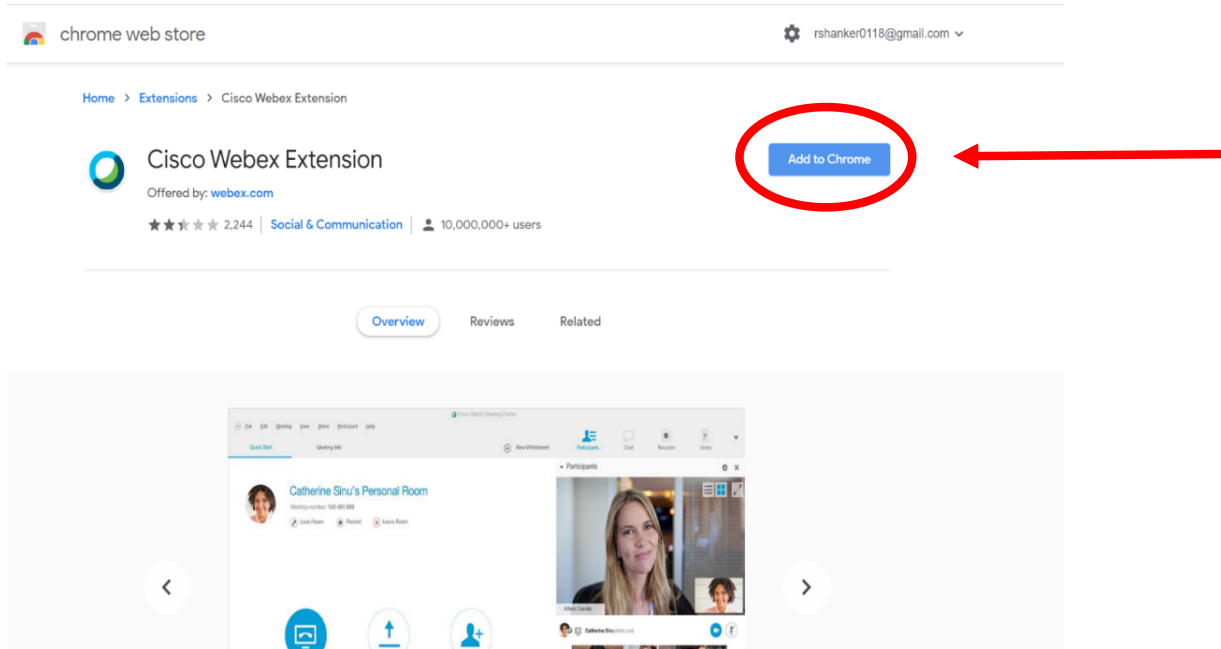

Follow this one-time process to join all Webex meetings quickly.

1. Select Add Webex to Chrome.

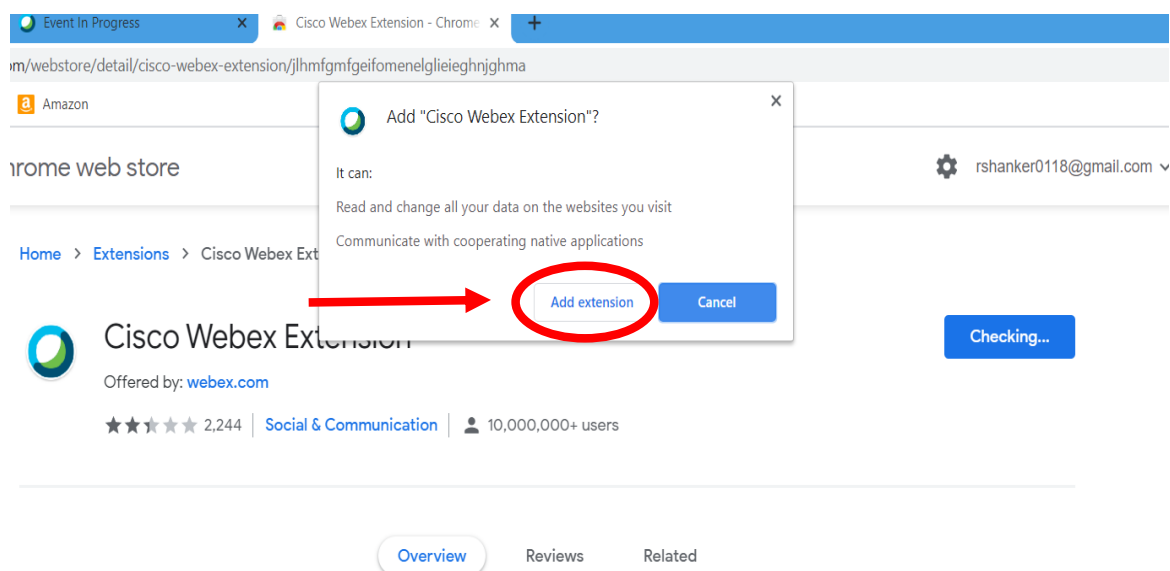

2. Select Add to Chrome in the Chrome store.

Don't want to use an extension? [Run a temporary application](#) to join this meeting.

2. You will then be taken to another page where you should select the blue 'Add to Chrome' button.

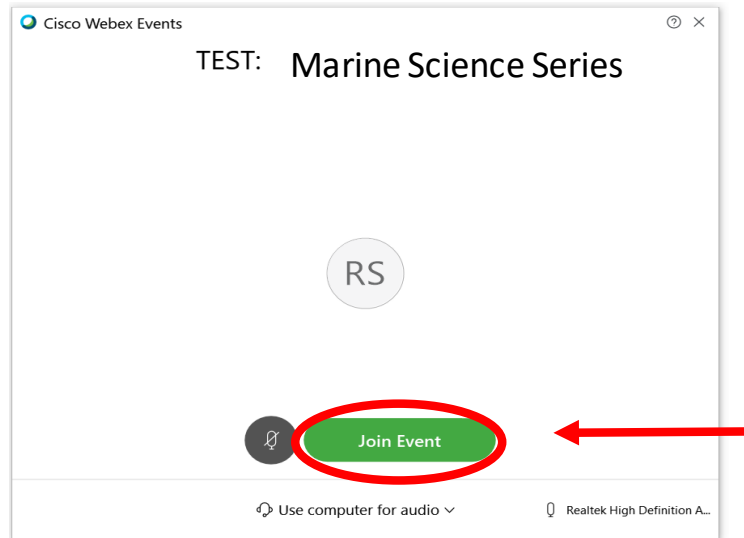

3. You will then see a pop-up window where you should select 'Add extension'.
