

Meet the Tutor & Counselor

★ Ms. Cheyenne ★

About Me:

I am a former teacher with over 10 years experience working with children in and out of the classroom setting. I graduated this year from Stetson as a double Hatter with my masters degree in Clinical Mental Health. I live my life following my passions, teaching and mental health, and I hope to inspire that in the children and adults I meet. In my spare time I enjoy being with my family, reading, teaching and doing yoga, traveling, and going to different beaches.
